Sir:

In response to the Final Office Action mailed October 21, 2002, please amend this application as follows:

IN THE CLAIMS:

Please cancel claims 5 and 31 without prejudice. Please add new claims 35-36.

All now-pending claims are as follows.

1. (Amended) A test set for testing a communications network comprising:
at least one signal input port;
test circuitry coupled to the at least one signal input port, the test circuitry
receiving signals from the signal input port and generating test data;
a processor coupled to the test circuitry, the processor receiving test data and
generating test results;
